

the SNIGLET

Noun (plural: sniglets) Pronunciation: /snig'lit/

Definition:

A word created when there seems to be no appropriate word; a made-up word, often humorous (Dictionary.com)

Etymology: Created by Rich Hall.
Rich Hall & Friends (Collier Books 1984)

I think it's time we had some new words defined in the ASD biomed world.

Ok, I'm going to show my age here. Anyone remember Saturday Night Live back in the *gasp* '80s? Comedian Rich Hall used to do a segment where he presented sniglets.

Pica-n-Ikes The pile of non-edible crap that you have to hide.

Postalk Act of stalking of the mailman for days as you anxiously expect a new wonder supplement to arrive.

Ringnot The safety plastic seal on a new supplement bottle, that you've been tugging on for 5 minutes, until your lazy butt gets up to get a knife to tear it off with.

Handstank The smell that doesn't go away no matter how you wash your hands with turpentine.

The Pretzel The maneuver in which you wrap yourself around your child in an attempt to hold him still during an IV.

Shit-sical A finger covered in poo. May be used with any elongated thing covered in shit: sticks, writing utensils, toothbrushes, the tail of a pet

Livudge That strange sludge that forms inside the eye dropper when you get you new bottle of Liver Life.

Laffathon Middle of the night yeast-induced laughter.

The Yeastie Boys The band that comes to play in the middle of the night in your child's room.

The Ohshittle The look one gets from school admin or doctor's office personnel when you walk in the building.

Nature's Probiotic When you discover your child has just put some poop in his mouth.

Poomark That leftover poop smear smudge you just can't get off your wall.

Hidaveg Act of hiding vegetables in food in various devious ways.

OhCrapsule The lone capsule or pill you discovered on the kitchen floor, but cannot identify it.

Goodue That residue from mixing several supplements with juice stuck at the bottom of a glass.

Asshole Your school principal.
TMR Disclaimer:
We cannot condone calling your principal an asshole. For instance, the principal that retired the year before your kid went to that school was not an asshole.

Pee-Tox Pee smelling of detox, with a hint of dead rat, and a fine ammonia finish.

Scraddle The act of fleeing a restaurant after an embarrassing incident faster than Usain Bolt.

Crappucino Yeast detox.

Clean Up On Aisle #6 The backsludge on the bathroom floor from an enema gone awry.

Bathron Taking your 15-year-old ASD son to the women's restroom and hoping nobody's in there too.

The Pooudini The kid that can escape out of his diaper no matter what kind of backwards pajama contraption you have them in.

Wormage Use in a sentence: Hubby asks post-enema, "What was the wormage?"

Glood That lone gel capsule stuck at the bottom of a bottle.

Supphide The acting of rushing to hide your 128 supplements as typical guests arrive to your house.

So, I have to ask you, dear readers... What are YOUR sniglets?
