Services Site Disclaimer: I understand frequency wellness support, spiritual health coaching, and energy healing therapies are a communicated & guided visualization, experience, or conversation. I understand the facilitation of these therapies may reduce stress and restore harmony and balance, as part of self-help and wellness. I understand this as a complement to traditional health care, and can be used in collaboration with other approaches & partners in health and healing.

This work is not a replacement for standard medical care. Rev. Dr. Eileen Joy Kurlander DD (h.c.) does not practice Conventional Medicine; the focus of health on the physical manifestations in the physical body with its healing goal to repair symptoms of diseased material substance which is of mind, intelligence and life itself. Eileen Kurlander practices Spiritual Healing. It includes a full spectrum understanding that health includes the soul and Spirit. Spiritual healing is healing all of the connectivity with forms from and of soul and spirit, healing the intuitive errors and mental blocks and re-harmonizing all of who you are.

Eileen Kurlander, Frequency Wellness Specialist coaches you through the process. Eileen is not the cause of the changes, she supports you, though you are your guide, change is within your control, the control of the individual, at all times.

Ideal results require you to actively participate as much as possible in advancing yourself. Sessions and advice are for the sole purpose of assisting you to Build Your and Your Family's LIFE.
